This table shows prices for sheiiba subscriptions, applicable from 1st January 2011.

There are three membership levels; **Standard**, **Standard Plus** and **Corporate**.

Standard membership provides access for three users.

Standard Plus membership allows for additional users at a reducing individual cost.

Corporate membership is a fixed rate that applies from the 11th user and is capped at 20 after which a price can be agreed on application.

We are offering discounted rates for two and three year subscriptions, payable annually.

Subscriptions are for single trading entities. We encourage organisations with multiple trading businesses take out separate subscriptions for each business.

All prices exclude VAT.
